## ESI Integrity Renews Contract to Supply Systems for Pari-Mutuel Regulators in Florida

**Vancouver, BC, January 15, 2009** — ESI Integrity Inc. today announced that it has entered into an agreement to continue to supply its *Integrity* Pari-Mutuel Wagering Systems to the Florida Department of Business and Professional Regulation (DBPR). ESI Integrity has supplied its systems to the Florida DBPR since June 2004, and the agreement allows an extension of that utilization until 2013. Under the agreement, DBPR will have license to utilize the *Integrity* Pari-Mutuel Monitoring Systems to support their needs for the continuous real-time monitoring of pari-mutuel wagering in the State of Florida, as well as utilize the *Integrity* Central Management System to support their needs for wagering permit and tax liability management.

The *Integrity* systems license agreement plus related support and maintenance services are cumulatively valued at approximately US \$1,100,000 over a term to June 2013. In addition, ESI Integrity will supply 24hour/day 7days/week technical support as well as administer product release updates to the DBPR. Furthermore, DBPR shall have the option to engage ESI Integrity to undertake additional system customization and enhancements.

"We are very pleased to be able to continue to serve the pari-mutuel regulators in Florida," said Alan Ahac, President of ESI Integrity. "We appreciate the confidence of the Florida DBPR in engaging with us in this long-term relationship."

Currently, ESI *Integrity* systems monitor billions of dollars in annual wagering revenues for lottery and pari-mutuel organizations in North America, South America, Europe, Asia, and Africa.
